## Our Company

Our company is distinguished by innovative solutions and extensive expertise in the factory industry.

Our diverse portfolio of clients indicates our successful contributions to their project development, providing effective ideas and solutions to help them attain their objectives and aspirations.

# Printing

For all your printing needs, from business cards to non-standard company documents, we've got you covered!

## Offset printing

Mass-production printing in which the images on metal plates are transferred (offset) to rubber blankets or rollers and then to the print media.

## Digital printing

The process of printing digital-based images directly onto a variety of media substrates. There is no need for a printing plate, unlike with offset printing.

Offset	Criteria	Digital
Best suited for medium to large print runs	<i>Quantity</i>	Great for all sizes of print runs (low to medium)
Allows to hit exact PMS tones and has more consistent color output	<i>Quality</i>	Can achieve same vibrant colors and high contrast
Takes longer to dry but still fast for larger runs because it produces multiple pieces at a higher speed	<i>Turn around time</i>	Dries instantly
Personalization is limited, based on new plates creation	<i>Personalization</i>	Unlimited personalization; can create completely variable pieces in-line

## Business and gift cards

Business and gift cards are crucial in the modern business world. We offer high-quality, single or double sided cards with unique designs to make your company stand out. Our studio provides various refinement options like foils and varnishes.

## Folded Leaflets

An interesting form of advertising is folded leaflets, which function like normal flyers but can contain much more information.

The most popular options for typesetting are “U” and “Z”.

**Letterhead**  
**Notepads**

## Posters

One of the most effective forms of advertising is a static poster. Placing it in a public space plays an important role in information and advertising. It is also possible to print in larger formats upon individual request.

## Labels

Our company specializes in designing and printing a wide variety of self-adhesive labels for different industries. We offer labels on paper or foil, in matte or glossy finishes, using digital and offset printing.

## Flyers Magazines

## Commercial Printing

We offer customized prints for businesses and offices. Our services include specialized documents for administration, banking, accounting offices, invoices, bills, and more.

# Large formats

Make your mark with outdoor advertising  
in various sizes and forms.  
The only limit to our size is your imagination.

## Signage

Signage is a versatile marketing tool for communicating information, providing guidance, and enhancing business promotion.

Our expertise encompasses the creation of signs in various sizes, ranging from small to large-scale formats.

## Plexiglass Boards

Translucent self-adhesive foil is applied to plexiglass boards and can also be used for backlit graphics and other transparent surfaces, like glass. This combination is suitable for bulletin boards, spatial forms and letters, backlighting, and skylights.
